June 2023

## SANS is proud to announce **INCREASED CLINIC OPERATIONS** and the return of **PAWCASSO!**

Since 2005, **Spay and Neuter Syracuse (SANS)** has provided low-cost spay and neuter services to low-income families, veterans, students and animal rescue organizations, including feral cat rescuers, in the Syracuse area. In fact, since our humble beginnings on Spring Street, SANS has provided these services for more than 47,000 animals.

For many years, we've relied on members of the veterinary community to provide their services on a per diem basis, putting together the available vets, techs, and assistants needed to run a clinic, many offering up their precious days off to contribute to our mission.

We're excited to announce that we recently took the plunge and **hired full-time clinic staff** and a new full-time Clinic Director, Janyl Jones, and **we've more than doubled the number of clinic days we are able to offer to the Central New York Community!** It's been a challenging journey, working together to increase the number of surgeries we can offer. Janyl has worked tirelessly to increase and improve our operation and we're very proud of our staff and of this new model.

But there's a lot yet to be done. We need to increase staff, provide training to new employees, replace aging equipment, and improve our computer system, and we always need to get the word out to the community about the importance of reducing pet overpopulation in Central New York.

Covid-19 restricted our ability to hold our beloved annual **PAWCASSO** fundraiser, but we are back! To continue our work, we will be hosting our 15<sup>th</sup> **PAWCASSO** event, a curated art sale, along with raffles, music and appetizers to be held **Saturday, August 26, 2023 from 5 to 8 p.m.** at the Palace Theatre on James Street in the Eastwood neighborhood of Syracuse, NY. All proceeds of **PAWCASSO** will go directly to support our clinic and allow us to continue to improve our services to the Syracuse community.

We kindly ask that your business show support for **SANS** by sponsoring our event. For your tax-deductible donation, your business will be seen by animal lovers in Central New York as community minded as well as informed about the issue of pet overpopulation and animal welfare.

We also want to invite you and your friends to **PAWCASSO** to meet Janyl and our staff and contribute to our mission! Please contact us if you would like to become a sponsor, make a donation, or if you have any questions. You can also go to the SANS website, [www.spayandneutersyracuse.com](http://www.spayandneutersyracuse.com), to sponsor or donate. On behalf of SANS, thanks so much for your generosity!
